

# TILTH CONFERENCE

**November 10-12 - Vancouver, WA**

**tilthalliance.org**

## Sponsorship & Trade Show Opportunities

We invite you to support this important educational event as a conference sponsor or trade show participant. Your contribution provides new and experienced growers with the technical tools and resources needed to succeed.

Our annual conference attracts farmers thirsting for knowledge and seeking opportunities to network and grow. The enthusiasm of organic farmers – combined with your support – ensures the continued growth of Washington's sustainable agriculture movement.

### Event Partner: \$10,000

- Full page ad (7"x9.5" grayscale) with premium placement in conference program (camera ready artwork due October 13)
